

Brian Angerame

Managing Director, Portfolio Manager

Brian co-manages the Mid Cap Core, Mid Cap Growth and All Cap strategy products. He joined a predecessor organization in 2000 as an equity research analyst responsible for the consumer discretionary and consumer staples sectors, and has 17 years of investment industry experience.

Previously, Brian was an analyst and assistant portfolio manager of the Prudential Real Estate Securities Fund at Prudential Investment Management. He earned his BA in Government from Dartmouth College and is a member of the New York Society of Security Analysts.

“Understanding and quantifying real economic returns depends on careful, thoughtful and thorough fundamental and valuation analysis.”
