

Patrick Collier

Managing Director, Head of Trading

Patrick is a Managing Director and the Head of Trading at ClearBridge Advisors. He joined the firm in 2005 and has 20 years of investment industry experience.

Patrick leads a team of 8 traders that supports 14 portfolio management teams located in New York and San Francisco, which keeps in constant contact with portfolio managers and analysts in order to achieve best execution. He is also a member of the firm's Management Committee.

Prior to joining the firm, Patrick served as Head of Trading at Hygrove Partners, LLC. His previous positions include Managing Director of Trading at Centurion Investment Group, Risk Arbitrage Trader at American Securities, and Vice President at Bull & Bear Securities. Patrick holds a BA in Finance from the University of Dayton.

“Our structure minimizes the burden of business management for our portfolio managers so they can focus on investment management.”
