

Aram Green

Managing Director, Portfolio Manager

Aram co-manages the Small Cap Growth and Mid Cap Growth strategy products. He has 10 years of investment industry experience and began his career in asset management as an equity analyst at Hygrove Partners, LLC. Aram joined ClearBridge Advisors as a research analyst in the Information Technology sector in 2006 before being named a portfolio manager.

Prior to joining Hygrove, Aram was co-founder and executive vice president of iCollege, an infrastructure software company catering to the educational market place. In 2001, iCollege was acquired by BlackBoard Inc. Aram earned a BA in Economics from Union College. Aram serves as a board member for several non-profit organizations.

“Through fundamental analysis and stock selection, we believe we can identify companies with superior prospects for capital appreciation.”
