

Dmitry Khaykin

Managing Director, Portfolio Manager

Dmitry co-manages the Large Cap Value strategy products. He joined a predecessor organization in 2003, and has 15 years of investment industry experience.

Prior to joining the organization, Dmitry was a research analyst at Gabelli & Co., where he concentrated on the telecommunications sector. He began his career at Morgan Stanley & Co. as an associate in the Risk Management Division. Dmitry received his BA in Computer Science from New York University. He obtained his MBA in Finance and Accounting from the Wharton School at the University of Pennsylvania.

“A bottom-up approach is essential to finding companies that have attractive valuations and franchises capable of producing superior returns.”
