

Terrence Murphy

President

Terrence was named President of ClearBridge Advisors in 2011. He has 23 years of financial industry experience. He also serves as Chairman of the ClearBridge Advisors Risk Committee.

Terrence joined predecessor firm Citigroup Asset Management (CAM) in 2000 as Director of Planning and Analysis. He was named Chief Financial Officer of CAM in 2005 and Chief Operating Officer of ClearBridge Advisors in 2006. From 1997 through 2000, Terrence was at Citigroup's Corporate and Investment Bank where he was the Business Controller for various products including Project Finance, Asset Backed Lending and Treasury Desk.

His previous positions include Business Controller for loan syndication and securitization at NatWest Bank's Commercial Lending Division. Terrence earned his MBA in Banking and Finance from Hofstra University and his BA in Accounting from Adelphi University.

“Our best-in-class client service, robust risk controls and infrastructure enable our managers to pursue our ultimate goal: performance.”
